

شركة الضامون العرب

The Arab Assurers

To Whom It May Concern:

Invest4all has successfully led an IT project in our company in the year 2005; this project consisted of business process and functionality analysis of all our insurance and reinsurance activity. They have demonstrated high professional skills and management of time and work, with excellent results that helped us re-plan our strategies.

Vice Chairman of the board
General Manager
Abd Alhadi Al Tarabchi
